Cascades PRO Select Roll Paper Towel, 1-Ply, Natural, 1000 feet, 6 rolls/pack, Recycled

Each roll of Cascades PRO Select® High Capacity Paper Towels provides quality at an affordable price. With an impressive length of 305 metres per roll, these roll hand towels are built to last, reducing run-outs and maintenance time. Made from 100% recycled fibre, these hand towels are also respectful of the environment. Ideal for high-traffic areas such as educational, retail and foodservice establishments, these 1-ply rolls of natural brown paper provide a convenient solution for hand drying. The 6-roll pack is designed for easy use in a universal dispenser, providing long-lasting, cost-effective performance with a total length of 1,000 feet.
