## Cascades PRO Select Roll Paper Towel, 1-Ply, Natural, 800 feet, 6 rolls/pack, Recycled, Certified

Cascades PRO Select Roll Paper Towel, 1-Ply, Natural, 800 feet,  
6 rolls/pack, Recycled, Certified

Cascades PRO Select® High Capacity Roll Paper Towels combine absorbency with a significant reduction in time needed for maintenance and run-outs. Made from 100% recycled fibre, these hand towels actively contribute to reducing environmental impacts. In offering quality and affordability, they represent a cost-effective choice for cleaning needs. Each pack contains 6 rolls of UL-ECOLOGO certified brown paper, ensuring performance that conforms to the highest environmental standards. With a generous length of 800', these 1-ply hand towels are specially designed for use in a universal dispenser. Ideal for high-traffic areas in industrial, retail, foodservice and educational establishments, these hand towels provide an optimal solution for hand drying, guaranteeing efficiency, cost effectiveness and respect for the environment.
