Cascades PRO Tandem Stand/Wall Interfold Napkins Dispenser, Grey

The Cascades PRO Tandem® C440 Stand/Wall Interfold Napkin Dispenser reduces waste and labour costs. Featuring a sleek, versatile design, this dispenser can be mounted on the wall to free up counter space, or set in a stand. It is the ideal choice for any foodservice or retail establishment. The dispenser's large capacity ensures continuous one-at-a-time napkin dispensing even through peak periods. The see-through cover facilitates napkin management by making it easy to see when it's time to reload. Customize your dispensing space with the OnDisplay™ window insert to create an attractive, captivating presentation.
