Cascades PRO Tandem Tabletop Interfold Napkins Dispenser,
Grey, 4/pack

The Cascades PRO Tandem® Tabletop Interfold Napkin Dispenser offers retail and foodservice establishments a durable, cost-effective option. Its compact size makes this dispenser ideal for counters, tables and concession areas. The dispenser's stylish design fits into any decor and the see-through cover makes it easy to monitor napkin levels and anticipate when to add more. Take advantage of the OnDisplay™ window insert to customize your dispensing space and attract your customers' attention. With one-at-a-time napkin dispensing, the C402 dispenser provides a convenient, attractive solution that meets your establishment's requirements, while adopting a sustainable and cost-effective approach.
