Compact® 2-Roll Side-by-Side Coreless High-Capacity Toilet  
Paper Dispenser by GP Pro, Black, 1 Dispenser

A durable, high-capacity wall-mounted toilet paper dispenser designed for commercial restrooms. This side-by-side unit holds two coreless rolls to deliver up to ~3,000 two-ply sheets, helping reduce refill frequency and waste. Featuring a clear cover for quick paper level checks and a locking design for security, it's ideal for offices, restaurants, schools, and other high-traffic facilities.
