## Dixie® 13" X 12" Speedway Insulated Sandwich Wrap by GP Pro, Unbleached, 2,500 Sheets Per Case

Dixie® 13" X 12" Speedway Insulated Sandwich Wrap by GP  
Pro, Unbleached, 2,500 Sheets Per Case

Quilt-Rap® is an insulating sandwich wrap with a patented triple-layer construction (paper/poly/paper). Quilt-Rap features a sheet of polyethylene film between two layers of paper. This sheet provides excellent heat retention, a pleasing inner wrap with a release coating, superior grease holdout, and effective grease and moisture absorption. It is an excellent alternative to clamshells due to its longer-lasting, higher heat retention and low solid waste volume.
