

Enzymatic Block & Screen

## Enzymatic Block & Screen

Fitted urinal screen freshens and cleans the urinal for up to 2400 flushes while

protecting the drain. Installing the urinal screen reduces splash back, keeping liquids where they belong and saving you cleaning time.

Fitted urinal screen freshens and cleans the urinal for up to 2400 flushes while protecting the drain. Installing the urinal screen reduces splash back, keeping liquids where they belong and saving you cleaning time.
