

Green Scapes? Eco-Friendly Ice Melt 50 lb

## Green Scapes? Eco-Friendly Ice Melt 50 lb

Green Scapes? is an eco-friendly ice melter. Blended with Magnesium Chloride and

Green Scapes? Eco-Friendly Ice Melt 50 lb

infused with Ice Ban, Green Scapes? is an innovative product that is safer for sidewalks and vegetation. This environmentally friendly option also features a green color indicator that makes for easier and fewer applications. While still boasting a melting point that rivals other blends, Green Scapes? has a lower chloride content.
