

Lucky Stripe Bill Acceptor Cleaning Card

Lucky Stripe Bill Acceptor Cleaning Card

This cleaning card design incorporates a special magnetic code to allow the

Lucky Stripe Bill Acceptor Cleaning Card

acceptance of this cleaning card into a variety of different models of bill acceptors. The card is accepted in 98% of models used in North America, eliminating the guess work of which card to use on your bill acceptor. Once the cleaning card enters the bill acceptor, the Waffletechnology® design allows the cleaning card to reach the optical lenses and other critical components.
