

Mini-Mule Dolly

Mini-Mule Dolly

This four-wheeled flatbed dolly weighs only 5 lbs. but has a weight capacity of 250

Mini-Mule Dolly

lbs.! Constructed of robust glass-filled nylon with reinforced ribs for increased structural strength and impact rigidity. Beverage cases and 24-packs fit perfectly across flatbed for maximum storage capacity, and rubber grips help prevent the load from shifting during transport. Heavy duty full-rotation castors enable large movable displays and unique in-store layouts.
