Nitri-Knit® – Supported Nitrile Gloves Size 8

Gloves that are 12" long . These gloves are a part of the ?Nitri-Knit? series of supported gloves that are made of Nitrile over Interlock knitted liner. The interlock knit liner gives the glove an added comfort for wearer and better resistance to tears and abrasions. The NK803 series is ideal for general handling especially when dealing with solvents, caustics, and animal fats.
