Foodservice Surface Sanitizing Wipes

Purell Healthcare Surface Disinfecting Wipes and Purell Foodservice Surface Sanitizing Wipes

Purell Healthcare Surface Disinfecting Wipes and Purell Foodservice Surface Sanitizing Wipes

Purell Surface Wipes quickly eliminate 99.9% of bacteria and viruses of concern, including cold and flu, norovirus, strep, Salmonella, Listeria, E. coli, whooping cough, MRSA, and VRE. They also kill the virus that causes Covid-19 (SARS-CoV-2) in only 30 seconds. Additionally, they have earned the EPA's lowest allowable toxicity rating (Category IV), meaning they don't require gloves, handwashing, or rinsing after use ? even on food-contact surfaces.
