

Sugar Snake Drain Cleaner & Treatment 32-oz

Sugar Snake Drain Cleaner & Treatment 32-oz

Sugar Snake Drain Cleaner & Treatment is designed to remove and prevent

Sugar Snake Drain Cleaner & Treatment 32-oz

sugar/carbohydrate residue build-up in drainage lines that have a high sugar load such as lines draining beverage towers. It prevents the formation of the sugar snake when used regularly in the beverage line drain. Sugar Snake also eliminates odors that emanate from beverage drain lines by breaking down sugars and organic matter.
