

Waffletechnology® Card Reader Cleaning Cards with  
MiracleMagic™

## Waffletechnology® Card Reader Cleaning Cards with MiracleMagic™

A cleaning card with patented Waffletechnology and MiracleMagic cleaning agent. Patented waffletechnology cleans recessed areas and around irregular surfaces where flat cards don't reach. Waffles provide 4 times the contact area on rounded components such as EMV pins. Presaturated with a KICTeam's proprietary cleaning agent, MiracleMagic. Formuated to penetrate and lift built-up dirt.
